NWP General Condition 18

Endangered Species

Endangered Species. (a) No activity is authorized under any NWP which is likely to directly or indirectly jeopardize the continued existence of a **threatened or endangered** species **or a species proposed** for such designation, as identified under the Federal Endangered Species Act (ESA), or which will directly or indirectly destroy or adversely modify designated critical habitat or critical habitat proposed for such designation.

...

(c) Non-federal permittees must submit a **pre-construction notification** to the district engineer if any listed species (or **species proposed** for listing) or designated critical habitat (or critical habitat proposed such designation) **might be affected** or is **in the vicinity of the activity**, or if the activity is located in designated critical habitat or critical habitat proposed for such designation, and **shall not begin work on the activity until notified** by the district engineer that the requirements of the ESA have been satisfied and **that the activity is authorized**.
